

Help Out on State Natural Areas

Ridgeway Pine Relict Workday

Join in! Ridgeway is known for its scenic pine relicts that have northern plant species. Help care for this site by removing invasive plants and encouraging native plants at our second Friday workdays. Activities during winter focus on brush cutting, treating, and burning. No skills needed you will be trained onsite.

Date: Second Friday of the month

Time: 9am-noon

Directions: From Ridgeway- travel north on Co H for less than a mile to entrance on left. Park along the road. [Google map.](#)

What to wear: Dress for the weather and wear clothes that are OK to get beat up. Embers may burn holes in your outer layer around piles.

What to bring: Leather gloves, drinking water, loppers, we will have some extra equipment available for volunteers to use.

Contact, RSVP: If you plan to come please contact Mary Kay Baum at marykbaum@gmail.com or (608) 935-5834.

Burning brush at Ridgeway
